Subject: MSDS Documentation for Seves Glass Block Products and Accessories.

This is in response to your request for Material Safety Data Sheets (MSDS) for our products. Our Glass Block Products and Accessories, such as our reinforcing, anchors, and spacers, are exempt from requiring MSDS documentation under Part 1910.1200 "Hazard Communications" as defined under the subject of "Articles" in the Federal Register, Vol. 29, 1999 Edition.

"Article means a manufactured item other than a fluid or particle" (i) which is formed to a specific shape or design during manufacturing; (ii) which has end use functions(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than a very small quantities, e.g., minute or trace amounts of a hazardous chemical ... and does not pose a physical hazard or health risk to employees.

If I can be of further assistance, please feel free to contact me at (phone number).

Thank you for your interest in Seves Glass Block.

Sincerely,

M. A Holop
